

**Introduction:**

“Welcome to The Easiest Quiz of All Time! This quiz is brought to you by BYU and the News Literacy Project. You will be asked seven questions, and each question will have multiple-choice answers. After you make your selection, you will hear the correct answer and an explanation. At the end of the quiz, you can return to the module where you downloaded the quiz transcript.

**Directions:**

It's easy, peasy, lemon squeezy. There are no rules. You can review your choice before making a selection.

**Question 1:**

Finish this iconic film quote: ‘BLANK, I am your father.’

- A) Luke
- B) No
- C) Yes
- D) Baby

**Correct Answer:**

The correct answer is B) No. While most people remember the quote beginning with ‘Luke,’ the right answer is ‘No, I am your father.’

**Question 2:**

In the original animated Snow White film, what famous phrase activates the queen’s mirror?

- A) Mirror, mirror on the wall
- B) Magic mirror on the wall
- C) Pretty mirror on the wall

D) My mirror on the wall

**Correct Answer:**

The correct answer is B) Magic mirror on the wall. The phrase is remembered with 'mirror, mirror,' but the evil queen actually says 'Magic mirror on the wall.'

**Question 3:**

What is the name of the popular firefighting bear?

- A) Smokey Bear
- B) Smoke the Bear
- C) Smokey Bear
- D) The Forest Fire Bear

**Correct Answer:**

The correct answer is A) Smokey Bear. His official name has always been Smokey Bear, but the title 'Smokey the Bear' became widespread through a successful song release in the 1950s.

**Question 4:**

How many senses do humans have?

- A) 7
- B) 5
- C) 12
- D) To be determined

**Correct Answer:**

The correct answer is D) To be determined. The real number has yet to be determined, but most scientists agree that there are between 14 and 20 human senses.

**Question 5:**

Where were fortune cookies invented?

- A) China
- B) USA
- C) Japan
- D) Argentina

**Correct Answer:**

The correct answer is C) Japan. Fortune cookies originated in Japan, although most people would guess the USA or China based on common misconceptions.

**Question 6:**

Who famously said, 'I can see Russia from my house'?

- A) Tina Fey
- B) Melania Trump
- C) Sarah Palin
- D) None of the above

**Correct Answer:**

The correct answer is A) Tina Fey. This quote comes from a sketch in the 2008 season premiere of Saturday Night Live, and Tina Fey, not Sarah Palin, is the source.

**Question 7:**

Who famously claimed, 'I invented the Internet'?

- A) Larry Page
- B) Bill Gates
- C) Al Gore
- D) None of the above

**Correct Answer:**

The correct answer is D) None of the above. No one actually said those exact words. This is a famous misquote attributed to Al Gore.
